
Passwords Made Easy

Simplify your online life with LastPass, the convenient and secure way to manage your passwords.

Organize Your Passwords

Store your logins and notes to a secure, searchable vault.

One Master Password

Remember your master password, forget the rest.

Simplify Logging In

Fill in any login or online form, no typing required.

Sync Everywhere

Your passwords are always backed up.

Uncrackable Passwords

Generate long, strong passwords in a click.

Bank-Level Encryption

We never have your key. Your data is for your eyes only.
